County Attorney

Barbara Butler
Clerk of the Courts

Hendry County – Four Corners Stormwater/Water Quality Project

Talking Points:

- Stormwater/Water Quality Project
- Designed to provide both additional storage and conveyance for storm water to the Caloosahatchee River during large storm events
- Improves water quality by reducing nutrient loading prior to discharge into the Caloosahatchee River
- The project is shovel ready since 2012
- All required permitting has been obtained
- The project construction time would be 12-18 months
- Hendry County and SFWMD funded the completed design and permitting
- Hendry County made significant investment by purchasing the necessary land and easements for the project
- The project is part of the Caloosahatchee River Watershed Protection Plan
- The project furthers the objective of the South Florida Water Management Districts Strategic Plan
- Benefits the Landowners of 4 Counties: Hendry, Glades, Lee and Charlotte

Amount Requested: \$4,200,000

Sponsors: Representative Donalds, Senator Passidomo
