Solid Waste Disposal Affidavit for Hendry County

Permit no. _____

In accordance with Hendry County Ordinance 2005-04, customers must provide proof to the Special Districts office that an account has been established with a contractor to provide services for the removal of solid waste, sludge, and recyclable materials. This information must be provided to the Building and Licensing Department prior to issuance of a building or demolition permit.

Please fill out the form, have the signature notarized, and return to the Building and Licensing Department.

Owner Name: _____
Address: _____

Phone – Cell: _____

Property Address: _____
Lot: _____ Block: _____ Subdivision: _____
Project Description: _____

As the applicant I, _____ hereby swear and affirm:
(Print Name)

That I am authorized to act on behalf of the owner, contractor and all other parties of interest in confirming the existence and maintenance of the solid waste and/or sludge removal agreement/contract or waiver for alternate waste disposal method; and

I agree to provide: (check **one**)

- A copy of the agreement with Hendry County's Franchise Hauler for the locations disposal services that will be satisfactory to the Hendry County Special Districts office and the Hendry County Building and Licensing office prior to the issuance of a building or demolition permit.
- A Waiver for Alternate Waste Disposal Method from the Hendry County Special Districts office which requires original receipts from transfer stations, appropriate landfills for construction debris or recycling centers for any materials, debris, waste or other construction waste from the project noted above prior to the issuance of a certificate of occupancy/request for final inspection. I also agree to provide these receipts to the Special Districts office and the Building and Licensing office, within five (5) days. Receipts must have a permit number, address, and owner of the property noted to each receipt. **(Receipts need to be from the Hendry County transfer stations).**

The contractor shall be responsible for the construction site. This site shall, at all times, be maintained free of excess debris, solid waste and trash until the project has been satisfactorily completed. Waste collection bins shall be provided where necessary and maintained to a level that will prevent debris from being blown about by wind; and

Failure to comply with this agreement may result in disciplinary action including fines (accruing each day the violation exists), injunction relief through the court system, or other civil action to ensure compliance with Ordinance Sec. 1-10-96.

Signed this _____ day of _____, 20____.
