MEMORANDUM

TO: Montura Ranch Estates Area Community and Interested Stakeholders

FROM: Hendry County Planning & Zoning Department

DATE: September 20, 2021

RE: **UPDATE** – Montura Ranch - Comprehensive Plan Amendments and Land Development Code Amendments.

The Land Development Code Amendments (LDC) require an additional change to the text in the Table of Use Regulations footnote 6 to reference new Section 1-53-3.9.3 regarding domestic farm animal regulations in the RR-F zoning district instead of referencing Section 1-53-6.7 which included the RR-F farm animal regulations. This additional change requires the LDC amendments to be re-advertised.

The LDC amendments will now be heard by the Board of County Commissioners on October 12th and then again for adoption on October 26th.

Note: The Comprehensive Plan amendments will still be presented for adoption on September 28, 2021.
