Application is hereby made to obtain a permit to do work and installations as indicated. I certify that no work or installation has commenced prior to the issuance of a permit and that all work will be performed to meet the Standards of all laws regulating construction in this jurisdiction. I understand that a separate permit must be secured for electrical work, plumbing, signs, wells, pools, furnaces, boilers, heaters, tanks, air conditioning systems, fences, etc., unless properly licensed contractors under the provisions of Chapter 489 of Florida Statutes, Hendry County Regulations and/ or as the Owner/Builder Exemption have been accepted for construction.

Warning – Work in the right-of-way: This permit does not authorize construction or installation of any structure or utility, above or below ground, within any right-of-way or easement reserved for access, drainage or utility purposes. This restriction specifically prohibits fencing, sprinkler systems, landscaping other than sod, signs, water, sewer, cable and drainage work therein. If such improvements are necessary, a separate permit(s) may be required from the Hendry County Building Department and/or Hendry County Engineering Department or agency responsible for easement.

Owner's Affidavit: I certify that all foregoing information is accurate and that all work will be done in compliance with applicable laws regulating construction and zoning. I have researched Federal, State and local regulations related to this project, and I have received permits from other agencies claiming jurisdiction over this project as required by law. I further understand that any omissions in content of this application or failure to provide additionally required information or to construct to Code may render this permit immediately void and a new permit will be required.

I further acknowledge the following:

- Issuance of a permit may be subject to conditions and is subject to time limitations or constraints.
- Issuance of a permit is not authorization to violate public or private restrictions, laws or regulations.
- Failure to comply with applicable construction regulations may result in with holding of future permits and a STOP WORK ORDER.
- I will comply with all the requests and requirements contained within this application to construct the structure.

IN ACCORDANCE WITH REQUIREMENTS CONTAINED IN THE FLORIDA BUILDING CODE, SECTION 106.3.5, AND HENDRY COUNTY CODES OR ORDINANCES, THE FOLLOWING INFORMATION IS REQUIRED FOR A NEW RESIDENTIAL STRUCTURE/BUILDING PERMIT.

All items must be submitted to the Building Department at the time of this request for a permit. An incomplete application will not be accepted and may result in the delay of the construction / project. It is your responsibility to provide written authorization / approval for items requiring approval from Departments outside of the Building Department. It will be your responsibility to provide plans or specifications to these agencies, for their review and approval **PRIOR TO PERMITTING. Please do not bring in an incomplete permit application or partial information:**

1. Documentation of ownership as recorded in public records. Documentation may be a tax bill, or recorded deed (warranty, mortgage or contract for deed). Note: If you are not the owner, as identified by public records, you must obtain written permission to make improvements.
2. Zoning approval (if changes will be required from current classified or existing use) from the Hendry County Planning Department.
3. Has the primary use been established (residence)? A fence permit is the only permit that may be issued in the absence of the residence.
4. Prior to receiving permits from the building, licensing and code enforcement department, customers must provide proof to the special districts office that accounts have been established with contractor to provide services for solid waste, sludge and recyclable materials (As per Hendry County Book of Ordinances Sec.1-10-96(6)). A copy of this proof must also be submitted to the building, licensing and code enforcement department.
5. Site shall be kept clean at all times (to prevent debris from being blown throughout the area). Note: A portable sanitary outlet (Example:Porta-John) may also be required on the job-site.
6. A list of sub-contractors shall also be submitted at time of permitting. Any changes in sub-contractors will be immediately forwarded to Hendry County Building Department to ensure compliance with current licensure requirements. Sub-contractors are not permitted to work on this job unless properly licensed to perform the activities tasked to them. Must complete and return the attached Sub-Contractor sheet.
7. A boundary survey. Owner must locate all markers and stake property prior to first inspection (applies to new construction or construction that adds square footage to property and fences). Survey shall show all easements and Flood Plain designation. (engineered scale).
8. Site plan (2 copies) must show the following information within the submitted plans:
 - a. All existing structures. Also show proposed new construction, proposed phases, future projects, etc. with overall dimensions;
 - b. Indicate all proposed or existing ponds, drainage systems, or retention ponds;
 - c. Identify the points of the compass;
