Hurricane Irma Sand Bags

WHAT: Sandbags are now available for public pickup. Residents will need to bring their own shovel and will be responsible for loading their own sandbags into their vehicles. Residents are asked to please limit themselves to 25 sandbags. Please only take what your family needs.

Bags are going quickly in certain locations, it is advised that you bring large trash bags to fill in the case that there are no bags at the sand location. Sand is being delivered to all locations throughout the day today. Fertilizer and mulch bags are also effective alternatives in the case that residents cannot get sandbags.

WHEN: Thursday, September 6, 2017
